

## Your Planned Gift: A Legacy of Love

Did you know that more than 50% of Americans die without a will? When that happens, assets are distributed based on the laws of the state. A bequest, insurance policy, retirement account or trust is the only way to ensure that upon your death, your personal possessions, property and other assets are distributed to your children, grandchildren, favorite charities, and others according to your wishes.

Please join us for a free estate planning seminar led by Melinda Gustafson Gervasi, founder of Gustafson Law Office. Melinda graduated from the University of Wisconsin Law School and holds a bachelor's degree from the University of Wisconsin - Madison and a Master's of Public Administration from the University of Southern California. Melinda, a Madison native, gained extensive experience related to federal and state legal systems while working in Washington, D.C., New York City, and Madison.
