Holy Wisdom Monastery presents

AWAKENING TO UNCONDITIONAL LOVE AND COMPASSION

Program
In this retreat, we will explore ways of accessing our innate awareness of unconditional love and compassion through practices adapted from Tibetan Buddhism. By participating in an empowering field of loving and spiritual connection, we become receptive to the unconditioned openness, wisdom and compassionate energy of our buddha nature.

This retreat is both for Buddhists who wish to deepen their experience of awakening, and for people of all faiths and backgrounds who seek an accessible way to cultivate unconditional powers of love, compassion and discernment for action.

June 3-7, 2020
